

# Multimedia Reporter

## Overview:

The Multimedia Reporter is responsible for producing cross-platform news stories for Student Media's journalism publications including the Daily Barometer (print), Beaver News (TV) and the Orange Report (radio). This journalist combines written word, audio, video and still photography to deliver engaging stories about our community.

To obtain this position, a student must have earned the position of Reporter.

## Responsibilities:

- Captures content in multiple forms of media.
- Edits content and writes print copy to accompany multimedia elements
- Shepard's each story through the editing process.
- Works with managers to assure content is published on at least two platforms (online, print, TV and radio).
- Work on teams as needed.
- Provide proper care for audio, video and photo equipment and provide protection against damage or theft.
- Keep current on media technology and trends.

I have read and acknowledged the responsibilities of this position. I understand that accepting this position is dependent on meeting the criteria above. Implicit in this agreement is compliance with all University standards and guidelines.
